***Who can participate in the parade? (Or, what are the criteria for being a participant in the parade?)*** Any non-profit, business, community group, family or individual is welcome to participate in the Annual Spring Family Parade. We ask that participants adhere to the guidelines and make sure their attire and actions are family friendly.

The Annual Spring Family Parade is a family friendly, nonpartisan, nonpolitical nonsectarian event, please make every effort to adhere to the following guidelines:

- Choreography – any choreography must be safe for participants and spectators. Participants must be continually moving forward (no stopping to perform).
- Please do not pass out or throw printed literature, samples, gifts, candy, etc. during the parade.
- Costumes/Props – please be sure costumes and props are appropriate for a mixed audience inclusive of children under the age of 13.
- Animals may be present for the parade, but owners must keep animals under control. Those unable to maintain control of their animal may be asked to leave.
- Floats – Floats must carry a fire extinguisher with a 2A 10BC rating. All floats will be inspected by the Fire Department prior to the parade start.

**What counts as a “float” for the float contest?** For the purpose of the Fire Department, a float is a decorated platform, either built on a vehicle like a truck or towed behind one. A float could also be a decorated car or truck. If you are interested in entering your float in the float contest please indicate that on your registration form (there is a question specific to that).

**Why can’t I give items out during the parade?** When items are passed out at the parade it creates a serious litter problem. If items are tossed into the crowd, not only does it potentially harm the people it lands on, often times children dart into the street to try and obtain the prizes or candy causing traffic, and safety concerns. This guideline is strictly enforced, please do not hand out pamphlets, prizes or candy at the parade.

**Do I need to participate in the parade to have a table of information during the post-parade activities?** You do not need to participate in the parade to have a table of information at the post-parade activities, but we wish you would! Participating in the actual parade can help build recognition of your group or business. The parade is filmed by our local television crew and is re-aired for several weeks after the parade takes place.

**I want to have a table of information during the post-parade activities, how do I arrange that?** There is a charge for groups that would like to provide an information table during the post-parade activities. Please see our [Sponsorship Packet](#) and refer to pages 4-5 for the Annual Spring Family Parade. Businesses and Non-Profit Community Groups can provide a table for \$25-\$250, but hurry, space is limited.

**How can I volunteer to help at the parade?** Interested in helping at the Parade? Great! [Click here](#) to contact Bill Mykytka, Volunteer Services Coordinator.

**My group would like to provide a demonstration during the post-parade activities, how do I arrange that?** Space is limited for groups to provide demonstration or entertainment during the post-parade activities.
